Elva Henderson who is taking over the Children's Co-ordinator's position on a temporary basis has informed the committee that she will be able to do so for at least two terms in 2014 and maybe longer.

Elva is having a workshop for Tutors (old and new) on Monday January 6, 2014 to discuss the new curriculum and other changes.

Letter from Elva read out – copy of letter attached.

We are hoping to attract more MHAD Groups in the New Year. Anne-Marie Wiles, Cultural Officer at the Hurstville Council is organizing this.

Exhibition Results: Numbers down but quite a good result overall. In the New Year we need an ideas meeting re publicly and a new way of doing things.

Something needs to be done about our signs. Norma will look into this. Norma has to check with Insurance Co and Penshurst Library and make sure that we have correct information re insurance and hanging sign at the Library. Norma will check size allowed by the Library. Rob thought that banner may be able to be cut in half.

Anne Smith was voted in as Vice President although Norma wanted to wait until Anne attended a meeting in the New Year. Anne was still unsure about taking on the job.

Meeting closed at 6.15pm. Next Meeting February 14<sup>th</sup> 2014.
